12/8/18

EThan,

Last night about 7:30 the office called & ~~said~~ there was two letters from you in our mail box, we were glad to hear from you. They were dated 11/28 & 12/2.

According to your bank account, the Army hasn't paid you your second check, but with the holidays it probably like the mail, its always way behind. So I wouldn't worry. They also haven't cancled the plane tickets yet, but again the Army doesn't seem to be in any kind of hurry.

Glad your doing ok. Have you tried wearing ~~two~~ two pairs of socks to help your feet, just a suggestion.

After living down here, I don't think I will ever live where its cold & Snowy again. Its cool here at night, in the 40's & 50's but it warms up into the 60's & low 70's in the day time ~~when the Sun comes out.~~ Although they say it gets hot & very humid here in the Summer. Thats when you head north were its cooler, I think we will enjoy being Full time RV'ers.

This dog we got has to sleep next to me every night, I guess he gets cold. He's almost house broke, he will have an

accident by the door if we don't watch him close. He eats 4 times a day & loves to play outside.

Well take care & I'm glad your managing the Army life, your getting closer to graduation.

Be good & remember we love you very much & miss you more than you can imagine.

with all our love
